

SPCA WISH LIST

Caring for our rescued animals until they find their forever home is expensive! The rent alone on our facility is over \$50,000 each year, so we have a “wish list” of items that are always needed by to directly care for the animals or to help run the Adoption Center. And remember, collecting wish list items makes a great community project for your group!

AmazonSmile: AmazonSmile is a website operated by Amazon that lets you enjoy the same wide selection of products, competitive prices and convenient shopping features as on Amazon.com. The difference is that when you shop on AmazonSmile (smile.amazon.com), the AmazonSmile Foundation will donate 0.5% of the purchase price to the eligible 501(c)3 charitable organization of your choice. This also applies to the Georgia SPCA’s Amazon wish list, so if you purchase an eligible item (indicated by the AmazonSmile logo on the item page), you will not only be providing needed supplies, but we will also receive a donation through AmazonSmile.
