

SPONSORSHIP OPPORTUNITIES

Last year over 300,000 homeless animals were needlessly euthanized in Georgia, with more than 80,000 of those occurring in metro Atlanta. Our mission is to drastically reduce this number by implementing successful adoption programs, offering low cost spay /neuter services and vaccine clinics to the public, and by promoting responsible pet ownership through the education of the local communities. Your contribution to this event will not only help fund these programs, it will also help us to care for over 1,400 dogs and cats that are brought to our non-profit shelter each year. It is our hope that you will sincerely consider this opportunity to make a difference for these animals. Thank you!
